

## Introduction to FEE-HELP

FEE-HELP is a loan from the Australian Government to pay all or part of your fees when you study a higher education course at an approved higher education provider.

## Important

- You must have a Tax File Number (TFN) or be in the process of obtaining one. This is required for your FEE-HELP application. If you don't have a TFN, apply through the [Australian Taxation Office](#) (ATO).
- [Electronic Commonwealth Form](#) (eCAF) is the official form you need to complete to apply for FEE-HELP. IHM will provide you with access to the form. You must submit this form on or before the census date.
- The census date is the last day you can apply for FEE-HELP, withdraw from a unit, or make changes to your enrolment without incurring a debt. If you change your mind about studying this course, you have until the census date to cancel your HELP application and withdraw from the course without incurring debt.
- This 2-minute video will help explain some of the key points you need to be aware of whilst you study: [HELP Loan Video](#).

## Must read and understand your obligations

- It's essential to read the latest FEE-HELP information booklet available on the [StudyAssist](#) website. This will provide you with detailed information on your obligations, how the loan works, repayment, and the interest-free nature of the loan.
- Ensure that your eCAF is submitted before the census date for your course. If you miss the census date, you won't be able to apply for FEE-HELP for that period, and you'll be liable for the tuition fees.
- After submitting your eCAF, keep a copy of your submission receipt and any confirmation emails from IHM or the government for your records.
- After the census date, IHM will provide you with a Commonwealth Assistance Notice (CAN) no later than 28 days after the census date. This notice details the units of study you are enrolled in, the tuition fees charged, and the amount of FEE-HELP assistance you have used. Ensure that all details on the CAN are correct.
- Repayment of your FEE-HELP debt will begin once your income reaches a certain threshold, which is adjusted annually.
- If you need help or have any questions during the application process, reach out to IHM's student services or consult the [StudyAssist](#) website for more detailed guidance.

## How to complete the form

- Use this form to request a FEE-HELP Loan to cover all or a portion of your course tuition fees. Complete all questions.
- Read the FEE-HELP information booklet before completing this form. This booklet contains detailed information about who can get a FEE HELP loan and how it works, the terms and conditions of the loan, and an explanation of the words and terms used on this eCAF.
- Complete the eCAF by entering your personal details, course details, and TFN and submit the form electronically by the census date.
- Submit this form as part of your initial enrolment into the course.
- For information on how and when to repay your loan, or for any further FEE-HELP information [studyassist](#).

## Remember

- To keep your personal and contact details up to date with IHM and the ATO to ensure that your loan is managed correctly
- FEE-HELP Loans are only available to eligible domestic degree (higher education) students.
- You will get a FEE HELP loan for a unit of study only if you remain eligible and have enough available HELP balance to cover your tuition fees.
- It is your responsibility to know your HELP balance. You must advise Institute of Health & Management (IHM) if you do not have enough HELP balance to cover your tuition fees. You can check your HELP balance on the [myHELPbalance](#).
- The loan fee is added to your overall HELP debt (which includes all your HELP loans), and you do repay it through the Australian Taxation Office (ATO). The loan fee is not counted toward your FEE-HELP limit but is added to your total deb.

**TAX File Number (TFN) - To be eligible for a FEE-HELP loan, you MUST supply your valid TFN or your Certificate of Application for a TFN**

IHM is authorised under the Higher Education Support Act 2003 (the Act) to collect, use or disclose your TFN only for the purposes under the HESA, including for the purposes of reporting details of your FEE-HELP loan to the Australian Taxation Office (ATO).

To be eligible for a FEE-HELP loan, your TFN and personal information provided in this eCAF need to be verified with the ATO. If, by the unit's census date the information supplied in your eCAF does not match your personal data held by the ATO, your application will not be finalised, and you will be ineligible for a FEE-HELP Loan.

Declining to quote your TFN or provide your Certificate of Application for a TFN is not an offence. However, by not doing so you will be unable to get a FEE-HELP loan for your tuition fees which remain unpaid on the census date.

You need a TFN if you want to use a FEE-HELP loan to pay for your study as repayment on your HELP debt are made through the Australian tax system using your TFN to identify you.

By providing your TFN on his eCAF you are requesting the Government to loan you the amount of tuition fees that remain unpaid at the census date of the unit(s) of study in your course. You will not receive the money, but it will be paid to IHM on your behalf. Privacy and taxation laws protect your TFN information.

**Note: TFNs are usually provided within 28 days of application. It is essential that you apply early to make sure you have your TFN on or before census date. The fastest way to apply for a TFN is with Australia Post. You can find out how to apply at [www.ato.gov.au/individuals/Tax-file-number/](http://www.ato.gov.au/individuals/Tax-file-number/)**

**Not Have Exceeded Combined HELP Loan Limit** - You must have sufficient Combined HELP Loan balance available. This is the cumulative total of any prior VET FEE-HELP, FEE-HELP, VET Student Loan and HECS-HELP\* debts you have incurred. In 2024 students are entitled to **\$121,844** in VET Student Loan, VET FEE-HELP, FEE-HELP and HECS HELP combined. (\*Only HECS-HELP debts incurred from 1/1/2020 contribute towards your Combined HELP Loan Limit). It is your responsibility to keep track of your HELP Loans utilised. You will receive an invoice for upfront payment for fee excess if your Combined HELP Loan Limit has been reached).

I have sufficient Combined HELP Loan balance available to cover this enrolment.

**6. Census Date - First unit census date for loan application**

Unit census dates are found on your Statement of fees/Tick sheet, next to each unit ticked for your enrolment.

The first unit census date is the *earliest* unit census date listed, for a unit that is ticked for enrolment.

**Important information you need to know about completing this form and your FEE-HELP loan.**

**NOTE 1 -- Residency requirements for NZ SCVs**

You must provide evidence on or before census date, that you first began residing in Australia as a minor at least 10 years immediately before the test day. You can do this by requesting your International Movement Record from the Department of Home Affairs. \*For the purposes of this form, 'test day' means the first day you successfully applied for a HELP loan as an eligible NZ SCV holder for a unit that formed part of the same course of study. If you have not previously applied for a HELP loan for a unit that forms part of your course of study, then the 'test day' is the date you submit this form.

\*Under HESA, a 'dependent child' is someone who is aged under 18 and does not have a spouse for de facto partner.

**NOTE 2 – Repaying your loan**

You must start repaying your HELP debt through the Australian tax system once your income is above a certain level (the minimum compulsory repayment threshold).

The threshold is indexed annually. Repayments made through the Australian taxation system are called 'compulsory repayments'. In accordance with Chapter 4 of HESA, these repayments will continue while your income is above the compulsory repayment threshold until you have repaid your whole debt, even if you have not completed your studies and regardless of whether you have moved overseas.

HELP debts are managed by the ATO. You can view your HELP debt, confirm your payment reference number and view payment options online. To do so, you need to create a myGov account and link it to the [ATO's online services](#).

For more information on repaying your HELP debt visit [www.ato.gov.au/getloaninfo](http://www.ato.gov.au/getloaninfo) or phone 13 28 61.

**NOTE 3 – FEE-HELP limit**

Students studying medicine, dentistry and veterinary science courses will have a FEE-HELP limit of **\$174,998**. Students studying all other courses will have a FEE-HELP limit of **\$121,844**. These amounts will be indexed annually.

**NOTE 4 – Unique Student Identifier (USI)**

To be eligible for a FEE HELP loan, you MUST supply your verifiable USI in this form. The department and IHM are authorized under the Student Identifiers Act 2014, to collect and retain your USI for the purposes of administering your Commonwealth supported place and loans under the Higher Education Support Act 2003 (HESA), including to report details of your FEE HELP loan to the Australian Taxation Office (ATO) and to connect you to your loan information. HESA, the Privacy Act 1988 and the Student Identifiers Act 2014 protect your USI information. Declining to quote your USI is not an offence. However, by not doing so, you will be unable to get a FEE HELP loan for the amount of your tuition fees which remain unpaid on the census date.

Note: From 2023 all students must have a USI to graduate and receive their award, unless an exemption applies. If you started your higher education or VET study with Commonwealth assistance after 2021, or you studied at any time in 2023, you should already have a valid USI. Check if you have a USI, or create your [USI](#).

You should only have one USI, as you keep the same USI for life. Please ensure your account details on the USI Registry system are up to date and correctly match the details (first, middle and last names, date of birth) with the details provided here in your eCAF. If these details do not match, verification will fail, and IHM will contact you to resolve.

**Student Declaration and Signature – by signing and submitting this eCAF, you are declaring that you agree to the following statements: (please read and sign at bottom of form)**

**Repaying your Loan:**

- I am requesting FEE-HELP loan assistance from the Commonwealth to be paid to my course provider on my behalf.
- I have an obligation to repay through the ATO the amount that the Commonwealth has loaned me, plus the loan fee if applicable, regardless of whether I complete my studies or not, and regardless of where I live, including overseas.
- My debt to the Commonwealth will remain if I withdraw or cancel my enrolment from my unit of study or course after the census date but my Help balance may be re-credited by IHM in special circumstances. I can visit [www.studyassist.gov.au](http://www.studyassist.gov.au) for more information.
- My FEE HELP loan will form part of my HELP debt which will be indexed on 1 June each year based on the Consumer Price Index in line with HESA, which I also agree to repay to the Commonwealth through the ATO.
- Indexation is added to HELP debts, which means the amount I repay in total is likely to be more than the original amount of the loan.
- I must start repaying my HELP debt through the Australian tax system once my income is above a certain level (the minimum compulsory repayment threshold). The threshold is indexed annually. Repayments made through the Australian taxation system are called 'compulsory repayments'. In accordance with Chapter 4 of HESA, these repayments will continue while my income is above the compulsory repayment threshold until I have repaid my whole HELP debt, even if I have not completed my studies and regardless of whether I have moved overseas.
- HELP debts are managed by the ATO. I can view my HELP debt, confirm my payment reference number, and view payment options online. To do so, I will need to create a MyGov account and link it to the [ATO's online services](#).
- For more information on repaying my HELP debt, I can visit [www.ato.gov.au](http://www.ato.gov.au) or phone 13 28 61 between 8.00 am and 6.00 pm, Monday to Friday AEST.

**Information booklet ([studyassist.gov.au](http://studyassist.gov.au)):**

- I have read the FEE-HELP information booklet, and I am aware of my obligations under the loan scheme.

**Declarations:**

- I declare that the information on this eCAF is complete and correct, and I can produce documents to verify this if required.
- I understand that I must either make a full upfront payment or provide my TFN (or the certificate from the ATO) to IHM on or before the census date otherwise my enrolment in the unit(s) of study may be cancelled.
- I understand that it is my responsibility to be aware of my available HELP balance and to advise my provider(s) if I am approaching my HELP loan limit and may not have enough HELP balance to cover my tuition fees.
- I have sufficient HELP balance to cover my tuition fees or I have advised IHM of how much FEE-HELP I wish to access. Note: you may be able to check your available HELP balance at [www.myHELPbalance.gov.au](http://www.myHELPbalance.gov.au) however, if you are a commencing student, who is new to higher education, you may not be able to access your available HELP balance through this site.
- I understand that, for 2024, the HELP loan limit is \$174,998 for students in medicine, dentistry, veterinary science, and specified aviation courses, and \$121,844 for students in all other courses.
- I understand that if my eligibility for a FEE-HELP loan changes, I must notify IHM.

**By submitting this eCAF I am requesting that:**

- The Commonwealth lends me the amount of tuition fees for my unit(s) of study in my course that remain unpaid at the census date. I will not receive the money, but it will be paid to IHM on my behalf.

**By submitting this eCAF I understand the following:**

- For 2024, the HELP loan limit is \$174,998 for students in medicine, dentistry, veterinary science, and specified aviation courses, and \$121,844 for students in all other courses.
- My available HELP balance is the amount of HELP assistance I have available to borrow. My available HELP balance is the difference between the Help loan limit and the amount of FEE-HELP, VET Student Loans, and VET FEE-HELP loans, and HECSHELP loans from 1 January 2020 I have already received, plus repayments I have made against the debt from 1 July 2019. I can visit [www.studyassist.gov.au](http://www.studyassist.gov.au) for more information.
- If I applied for Commonwealth assistance between 2005 and 1 January 2021, I would already have a government identifier, known as a Commonwealth Higher Education Student Support Number (CHESSN). I must make a note of my CHESSN and keep it in a safe place. My CHESSN is important because I will use it track all my HELP entitlements through the [myHELPbalance](http://myHELPbalance) portal. It is important that I only have one CHESSN across the life of my studies, even if I study with multiple providers. If I already have one CHESSN, and am undertaking further studies with a new provider, I must tell my new provider my CHESSN. I will visit the [myHELPbalance](http://myHELPbalance) portal regularly during my studies to ensure my records are accurate and that my records include all units of study I have undertaken. I can visit [www.studyassist.gov.au](http://www.studyassist.gov.au) for more information.
- I must have a valid USI prior to the census date in order to be entitled to FEE HELP under HESA. My USI will be used to connect my student loan information to my personal details. I understand that I can log in and check or update my details at any time. My USI is important because I will use it to track all my HELP entitlements through the [myHELPbalance](http://myHELPbalance) portal. It is important that I only have one USI across the life of my studies, even if I study with multiple providers. If I already have a USI, and am undertaking further studies with a new provider, I must tell my new provider my USI. I will visit the [myHELPbalance](http://myHELPbalance) portal regularly during my studies to ensure my records are accurate and that my records include all units of study I have undertaken. I can visit [www.studyassist.gov.au](http://www.studyassist.gov.au) for more information.
- All higher education students, including those who commenced prior to 2021, must have a USI in order to be eligible for a CSP, be entitled to Commonwealth financial assistance (HECS HELP, FEE HELP, OS HELP, SA HELP and STARTUP-HELP) and to graduate and receive their award (unless an exemption applies).
- In order to receive FEE-HELP assistance I must not exceed a study load of 2.0 Equivalent Full Time Study Load (EFTSL) (2 years full time study) per year, unless my provider determines that an additional unit of study will not impose an unreasonable study load on me.
- For undergraduate units of study with a census date on or after 1 January 2023, a loan fee of 20 per cent will be applied to my FEE-HELP loan, and this loan fee will be included as part of my HELP debt.
- I am able to cancel this request for FEE-HELP, in writing, at any time with my provider. If I cancel my request on or before a unit's census date, I will not be charged for that unit. Where withdrawal occurs after the census date, I will incur a debt to the government for those units (that I am legally required to repay) unless I apply to have my HELP debt remitted under 'special circumstances'.
- My personal information, including my TFN and USI, is protected by law, including under the Privacy Act 1988 (Cth), the Student Identifiers Act 2014 (Cth) (SI Act) and HESA. The Australian Government Department of Education (the department) (GPO Box 9880, Canberra ACT 2601, phone: 1300 566 046), collects my personal information, including my USI, for the purpose of administering the HELP scheme, which includes verifying my eligibility for a loan and for overseas HELP debt recovery under the HESA. The department also collects my personal information for the purpose of research, statistics, policy formation, tuition assurance and broader HELP program management. The department may also collect my USI from my education provider, where the provider submits my eCAF on my behalf. The collection use and disclosure of my personal information is authorised under section 179-10 and Division 180 of HESA. If I do not provide the information required in this form, I may not be eligible for Commonwealth assistance.
- The information I have provided on this eCAF (my TFN, USI and email address) will be used by IHM for the purposes of them satisfying their reporting obligations to the department.

- The department may disclose my information, including my USI, to Australian Government agencies, including: the Student Identifiers Registrar the purposes of verifying my USI, the ATO for the purposes of calculating and administering my HELP debt; Services Australia for the purposes of pre-populating my claim for a student payment and assessing or reviewing my eligibility or entitlement for a student payment; and the Commonwealth Ombudsman if I lodge a complaint in relation to my HELP loan or compliance with my provider under HESA.
- My personal information may also be shared with the Higher Education Tuition Protection Director (the Director) for the purposes of administering arrangements relating to tuition protection under HESA and the Tertiary Education Quality and Standards Agency Act 2011 (TEQSA Act). The Director may disclose my information to other higher education providers for the purposes of facilitating my transfer to a replacement provider under tuition protection arrangements.

- The department will not disclose my personal information for any other purpose without first seeking my consent unless that disclosure is authorised or required by law or a court/tribunal order.
- By submitting this eCAF, I am consenting to the collection, use and disclosure of my personal information as outlined above.

- I can find more information on how the Office of the Unique Student Identifiers Registrar manages my personal information at [www.usi.gov.au/about/privacy](http://www.usi.gov.au/about/privacy)
- If I wish to correct my personal information provided on this eCAF, I will contact my provider directly.
- The department has endeavoured to ensure that the information in this publication is consistent with HESA and guidelines made under HESA. However, if there is any inconsistency between this form and HESA or guidelines, HESA will take precedence.
