Message from the Board Chair

It is my great pleasure to present to you our new strategic plan for the upcoming years. As the Chair of the Board of IHM, I am proud of the hard work and dedication that has gone into crafting this plan. Our mission at IHM is to provide our students with the highest quality education and training in health-care, and our strategic plan outlines our commitment to this mission. We are committed to ensuring that our students are well-prepared to meet the challenges of the health-care industry and are equipped with the knowledge and skills needed to succeed.

Our plan focuses on several key areas, including expanding our course offerings, investing in technology and infrastructure, and strengthening our partnerships with industry stakeholders. We believe that these efforts will enable us to continue to be a leader in healthcare education and training in Australia and beyond.

As we embark on this new strategic plan, I want to thank our students, staff, and partners for their continued support and dedication to the mission of IHM. Together, we can achieve great things and make a lasting impact in the healthcare industry.

Dr. Chandana Hewege Chair
Chairperson Board of Directors

At IHM, our commitment to “Education for Employment” goes beyond just preparing our students for jobs in the healthcare industry. We believe that by creating innovative mindsets in our students, we can equip them with the skills and knowledge to be leaders in the industry and drive positive change. We prioritise fostering a culture of innovation and creativity that challenges our students to think critically and adaptively.

We are dedicated to staying at the forefront of the latest developments and emerging trends in healthcare to ensure that our education and training programs remain relevant and meet the needs of the industry. Our core values of innovation, caring, and excellence are underpinned by honesty, openness, and trust. We aim to maintain high standards of policy and procedure, program/project development, and resource utilisation to ensure the quality of our education and training programs.

Our success is measured not only by the employment outcomes of our graduates but also by their ability to make a positive impact on the healthcare industry and society. We are committed to creating strong partnerships with industry and society to ensure that our programs remain relevant and meet the needs of the healthcare sector. Overall, we are dedicated to providing education and training programs that benefit our students, industry, and society, while fostering a culture of innovation and excellence.

Bijo Kunnumpurath
Executive Director &
Managing Director, HCI Australia

IHM and it's History

IHM is ranked in the top 25 Australian higher education institutions for quality of education experience according to the ratings of participating IHM students in the 2020 Student Experience Survey (SES). IHM was ranked #22 for Overall Quality, #6 for Skills Development and #32 for Student Support, out of 134 participating higher education institutions.

The healthcare industry is in an era of transformation, and educators in this sector have to innovate to prepare practitioners for best practices and

models of care. This is where an education at IHM truly makes a difference. Bringing together the collective expertise of experienced nurses, academics, and clinicians, IHM courses are delivered by professionals with extensive expertise in on-campus and online learning and teaching.

Since 2012, the Institute of Health & Management (IHM) has established itself as a premier provider of exceptional healthcare and nursing education in Australia. Offering industry acclaimed programs for Nurses, Medical practitioners, Dentists and other Healthcare professionals, IHM has achieved the status of an institute of higher education granted by the Australian Government's Tertiary Education Quality and Standards Agency (TEQSA).

Technology-rich, innovative learning environments that focus on outcome-driven practical learning are a key focus for IHM. Virtual reality simulations, immersive learning platforms, and curriculums aligned with global best practices allow our students to get on board with the latest knowledge, tools and techniques. IHM graduates will be equipped with skills and competencies that will give them an edge over their peers.

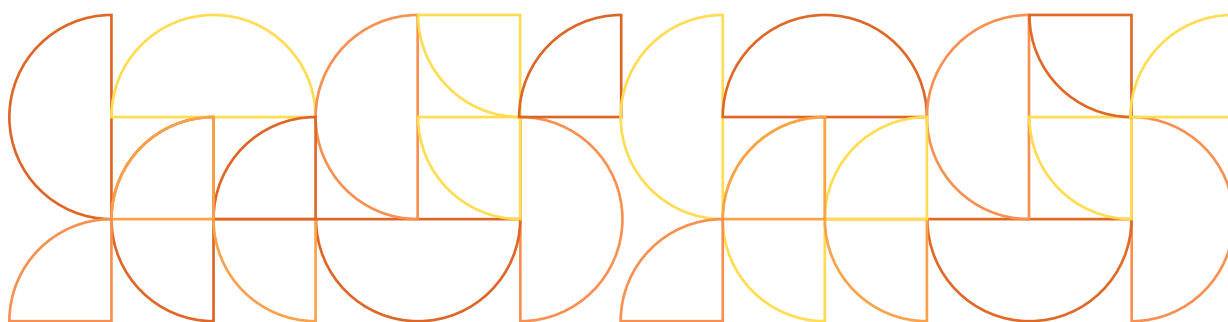

Purpose, Vision, Mission and Values

Our Purpose

“Enhancing lives through Education, Training & Technology”

At Institute of Health & Management (IHM), our core purpose is to enhance lives through Education, Training & Technology. We are dedicated to providing high-quality education and training programs that empower individuals to improve their lives and positively impact their communities. Our approach is grounded in leveraging the latest technology and innovative teaching methods to create a learning environment that fosters growth, encourages lifelong learning, and prepares our students to be successful in the healthcare industry.

Our Vision

“To become a university college by 2030”

A Pathway to University Education
IHM’s role as a pathway towards university-level education within the healthcare industry. By empowering healthcare leaders through innovative education and training. This vision statement encapsulates the essence of IHM’s commitment to providing education and training programs that go beyond preparing students for jobs in the healthcare industry. It emphasizes the goal of fostering innovative mindsets, equipping students with skills and knowledge to become industry leaders, and driving positive change.

Our Mission

“Education for Employment”

IHM is committed to delivering education and training programs that equip our students with the skills and knowledge required to be leaders in the healthcare industry. Our mission is “Education for Employment.” We place strong emphasis on creating strong partnerships with industry and society and measure our success by the employment outcomes of our graduates. Our commitment to innovation, excellence, and caring benefits our stakeholders, including students, staff, industry, service providers, and the community.

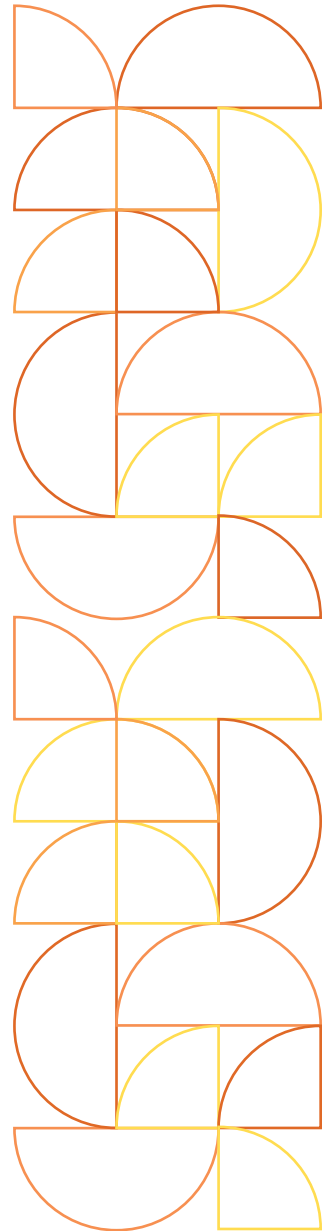

Our Values

- **“INNOVATION**
- **CARING**
- **EXCELLENCE**
- **HONESTY**
- **OPENNESS**
- **TRUST”**

At Institute of Health & Management, we uphold values of innovation, caring, excellence, honesty, openness, and trust.

We are committed to promoting new ideas, showing compassion, pursuing excellence, acting with integrity, embracing diversity, and building trust. These values guide our decision-making and ensure that we consistently deliver on our core purpose, vision, and mission.

National Delivery & Hybrid Learning

IHM (Institute of Health & Management) facilitate's nationwide course delivery through an integrated hybrid learning approach. Leveraging online platforms and interactive resources, students can access lectures, assignments, and collaborative activities remotely. This is complemented by on-campus sessions for hands-on training and networking. The institutions' comprehensive hybrid model ensures flexible and inclusive education, enabling students across the nation to seamlessly access quality healthcare education while balancing their commitments.

State-of-the-Art Teaching Facilities

Our lecture rooms are equipped with cutting edge technology and state-of-the-art facilities enabling advanced teaching to provide our students with modern learning experience. Varied, purpose-built, lecture theatres and rooms with dedicated facilities are in place to cater to different learning requirements.

IHM Courses
